Control Gemini Whole Home Wi-Fi System

Wi-Fi Everywhere in Your Home

Stay Connected to the Best Wi-Fi

Family and friends will enjoy the mobility and convenience of Wi-Fi around your home without buffering or lost connections.

Seamless Roaming

Enjoy seamless Wi-Fi roaming as you move from one room to the next; no need to switch to a new signal.

Easy Setup

With only a smartphone and Gemini App, setup is simple. Establish the first Gemini device and the others (using auto-grouping management) will sync-up automatically.

11ac Supercharged Speed

Gemini devices level up your Wi-Fi to the latest 11ac for super-speeds and high performance. The entire household experiences superior streaming, gaming and 4K/HD videos.
