**01 // Edimax WD-1000TR WHDI**

With Edimax's WD-1000TR WHDI Caster, users are able to stream uncompressed Full HD videos wirelessly from HDMI capable devices like computers, game consoles, set-top boxes and Blu-ray players to a HDTV. Compatible with any HDMI media device, its plug-and-play installation makes the WD-1000TR WHDI Caster an easy device to understand and use. It also comes with a Wireless Home Digital Interface (WHDI) standard that allows it to send out an uncompressed transmission of high definition video over a wireless radio channel. **Elegant Biz Sdn Bhd (03) 9100 3100**

**02 // Haier LE55H330 / LE46H330 3D LED TVs**

Looking for an ultra slim, full HD LED television that can support 3D? Then the Haier LE55H330 / LE46H330 3D LED TVs will fit your needs. As slim as photo frame, the cabinet design measures at most 3cm thick at the thickest point of the television. The LED backlight technology is able to deliver a color gamut that is 105% to NTSC standards. A neat feature that these Haier TVs have is the conversion of 2D video to 3D simply with the press of the "3D" button. **www.haier.com.my/**
